The EverStrong® Profiles Advantage

**PARADISE
FENCE
SUPPLY**

All EverStrong® Profiles Meet ASTM F964-13. Control Tests Including:

D256	To determine Izod impact properties
D618	Practice for Conditioning Plastics for Testing
D635	Test Method for Rate of Burning and/or Extent and Time of Burning of Plastics in a Horizontal Position
D638	To determine tensile properties
D648	To determine heat distortion temperature
D696	Test Method for Coefficient of Linear Thermal Expansion of Plastics Between 030°C and 30°C with a Vitreous Silica Dilatometer
D790	To determine flexural properties
D792	To determine specific gravity
D883	Terminology Relating to Plastics
D1435	Practice for Outdoor Weathering of Plastics
D1600	Terminology for Abbreviated Terms Relating to Plastics
D1784	Specification for Rigid Poly (Vinyl Chloride) (PVC) Compounds and Chlorinated Poly (Vinyl Chloride) (CPVC) Compounds
D1898	Practice for Sampling of Plastics
D2240	To determine Shore hardness values
D2244	Practice for Calculation of Color Tolerances and Color Differences from Instrumentally Measured Color Coordinates
D2565	Practice for Xenon-Arc Exposure of Plastics Intended for Outdoor Applications
D4216	Material Class Number 1-32333-3. To establish Cell Classification of PVC material. Illusions compounds have higher cell classification because one or more properties are superior to those used in standard acceptable compounds
D4226	Test Methods for Impact Resistance of Rigid Poly-(Vinyl Chloride) (PVC) Building Products
D4726	Specification for Rigid Poly(Vinyl Chloride) (PVC) Exterior-Profile Extrusions Used for Assembled Windows and Doors
E-84-04	Used to determine the flame spread value of PVC material; EverStrong® burn rate is significantly lower than allowed value

All EverStrong® Profiles and Railings are made from 100% Pure Virgin Vinyl materials. Why would this matter? – Keep reading below...

Beware of fences with a cheap variety of fillers. What is in the mixture? Lead? Shower curtains? Low grade plastics and weak decomposing items that will splinter, crack, break or deteriorate structurally and rapidly fade color of the fence?

This will not happen with an EverStrong® Fence. Check the side bar for a list of ASTM tests that EverStrong® Profiles must pass before we put our name on them. This is quite simply the reason that EverStrong® Profiles are used by quality minded fence professionals.

Make sure to use only professional EverStrong® Fence Dealers that will help you design and layout the best fence for your needs. The EverStrong® Professional Fence Dealer is also a qualified vinyl fence installation company. Reliable, honest, licensed, and a pleasure to deal with. You will recommend them to your neighbors proudly.

VMA CERTIFIED - With the VMA Certified Seal prominently displayed on your EverStrong® products, you (and your customers) can have the confidence that you (and they) are receiving the highest quality products in the market.

Consistent Color Retention

EverStrong® materials are a custom blended mix of stabilizers, impact modifiers, processing aids, and pigments. Long term weathering studies have shown these products tin stabilized, acrylate modified formulations with high levels of titanium dioxide (a pigment and UV light screener) result in the **best retention of color and toughness.**

EverStrong® vinyl has the industry leading standard of 10 parts per 100 TiO2 (titanium dioxide) to give it the longevity and performance of a lifetime product.

The image shows two white vinyl fence profiles. On the left is a competitor's profile, and on the right is an EverStrong® profile. A yellow sticky note with a black arrow points from the competitor's profile to the EverStrong® profile. The sticky note says "WOW! THAT WOULD COST A FORTUNE IN RE-INSTALLS!". Below the competitor's profile, it says "Competitor: 450 Hrs. (4-5 Years)". Below the EverStrong® profile, it says "EverStrong® 1000 Hrs. (10-11 Years)". The EverStrong® logo is visible in the top right corner of the image area.

PRIVACY

Privacy Panels feature a "V"-Jointed tongue and groove board and come with a wide variety of decorative tops. Privacy fence panels include a metal reinforcement channel in the bottom rail to help create a stronger and longer lasting fence. We pride ourselves on offering a Privacy Panel for every taste. They are also offered in Beige and Gray. Lattice comes in White, Beige, Gray and Eastern Green.

VSQ48

V215SQ

The Semi-Privacy line has one of the largest selections we offer. Customers are invited to pick one of our pre-made styles or to custom design their own. Semi-Privacy panels are specially designed to offer privacy without a “closed in” feeling. Our extensive selection offers open lattice styles as well as the more secure “front to back” large picket styles. All are available in White, Beige and Gray. Our

styles featuring lattice also have the added option of Eastern Green lattice. This helps to provide a multitude of choices to help compliment any landscape setting. Semi-Privacy fence panels include a metal reinforcement channel in the bottom rail to help create a stronger and longer lasting fence.

CONTEMPORARY PICKET

Contemporary Picket offers what is known as the “good neighbor” approach to fencing. It is a fence that features both sides of the panels being exactly the same. The pickets are assembled THROUGH the rails instead of simply being attached to them.

Traditional Picket looks like the traditional "nail-on" style wood picket fence. This face mounted picket can be manufactured with three different picket widths. Narrow, Standard or Wide. These can be assembled with either a regular spacing or a reduced spacing for extra security.

Also available in optional Thru-Rail construction.

BACK VIEW

ORNAMENTAL PICKET

Ornamental 1" x 1" Picket offers a vinyl alternative to the wrought iron fence. It enables the homeowner to maintain the look of wrought iron without the maintenance.

EverStrong[®]
P R O F I L E S

EVERSTRONG VINYL PROFILES LIMITED WARRANTY

EverStrong Vinyl Profiles (“EverStrong”) warrants to the purchasing homeowner (the “Purchaser”) that the components of his or her vinyl fence where EverStrong Profiles were used, as applicable, will be free from manufacturing defects including peeling, flaking, blistering and corroding when subject to normal and proper use, subject to the following terms and conditions. Should any manufacturing defect occur during the lifetime of the Purchaser (and provided that the Purchaser is still the homeowner at the time such defect is reported), EverStrong, at the sole option of EverStrong, will repair or replace the defective material or the defective parts.

Limitations

In the event of any repair or replacement of fence product under this limited warranty, EverStrong shall not be liable for labor charges or other expenses incurred in connection with removal or installation of either the original or replacement product. EverStrong reserves the right to refund the amount paid by the Purchaser for the fence product instead of repairing or replacing the defective fence product. In the event of repair or replacement under the terms of this limited warranty, the original limited warranty shall apply to the repaired or replaced fence product and will extend for the balance of the original limited warranty period only. The coverage offered by this limited warranty automatically ends upon the earlier of the sale of the property or death of the last of the Purchasers.

In the event a fence product is purchased by or installed upon property owned by a corporation, governmental agency, partnership, trust, religious organization, school, condominium, homeowner association, cooperative housing arrangement, apartment building or any other type of building or any other premises not consisting of a single family home used by an individual homeowner as his or her primary residence, the limited warranty period will be twenty (20) years from the installation date where EverStrong product was used.

EverStrong does not warrant installation or defects caused by installation. This limited warranty is void if any of the following occurs: (a) improper application techniques; (b) misuse, neglect or improper storage; (c) altering or changing the product by use of applied heat, welding, solvents, epoxies or any other alterations beyond the manufacturer’s control; (d) impact of objects, fire, flood, hurricane, tornado, wind storms, casualty, or “Acts of God”; (e) painting the surface of the product; (f) adverse effects of air pollution, mold and Normal Weathering of surfaces. The manufacturer of this product does not recommend or approve this product for all possible end use applications. The appropriate local code authority should be consulted as to its safety and applicability for intended usage.

EverStrong reserves the right to discontinue or modify any of its products, without notice to Purchaser. EverStrong shall not be liable in the event the replacement product varies in color or gloss level in comparison to the original product as a result of Normal Weathering or if a fence product has been discontinued or changed. If EverStrong replaces or repairs any product under this limited warranty, it may substitute products determined by EverStrong to be of comparable quality or price range.

To submit a warranty claim, the “purchaser” must notify the original company of purchase who will supply to EverStrong the documentation necessary.

THE STATEMENTS CONTAINED IN THIS LIMITED WARRANTY SET FORTH THE ONLY WARRANTIES EXTENDED BY EVERSTRONG, AND ARE IN LIEU OF ALL OTHER WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND WARRANTIES OF FITNESS, AND THE PROVISIONS OF THIS WARRANTY SHALL CONSTITUTE THE ENTIRE LIABILITY OF EVERSTRONG AND THE PURCHASER’S EXCLUSIVE REMEDY FOR BREACH OF EVERSTRONG’ WARRANTY. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EVERSTRONG SHALL NOT BE LIABLE TO THE PURCHASER FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THE PRODUCT.

This warranty applies to all products purchased after April 1st, 2018.
